Dear Members,

Re: 2008 Rates and Booking Form

Attached are details of the 2008 Rates together with booking forms. Please read them carefully, particularly the booking conditions.

It is important to note that bookings for Members do not commence until 1st March 2008. No bookings will be taken before this date.

Booking Officer

All bookings need to be made with the Booking Officer. Bernie Ignatius, with support from his wife Helen, continue with this role and we know you will offer them your patience and understanding during the busy period of bookings. Bernie's contact details are on the booking form.

School Holidays – June / July 2008

As we have done in previous years we will continue the 1x6 night, and 3x5 night booking period in June / July 2008. Past bookings suggest that the School Holiday period is booked out in the first week of March; so please get your booking forms in from the 1st March if you wish to book during this time.

Paying On-line

The club encourages Members to pay for their accommodation by using their banks online banking "pay anyone" facilities. If paying using this method, Members will still need to complete and send the booking form to the Booking Officer (note the booking form must be sent to the booking officer's address not the Munionsg GPO box), otherwise, the booking will not be recognised.

The Club's bank account details are:

- BSB: 182 222
- Account No: 121599930

If paying by cheque please ensure the club's full name, **Munionsg Ski Club Co-Op Limited**, is used. Failure to do so will result in the cheque not being cleared, and hence an unsuccessful booking.

Managers

We are pleased to inform everyone that Peter and Terry will be back again as Managers in 2008 and we look forward to their wonderful meals yet again.

I hope you are able to take some time off this year and enjoy a relaxing and fun-filled snow holiday at Munionsg.

Cheers,

Rob Holdaway
President

Notice to the Members and Guests of Muniong Ski Club.

The Board of Muniong is proud to offer Members and guests a unique ski experience at a price that provides exceptional value for money.

It is a tradition at Muniong that we all contribute to the running of the Club.

For us all to have an enjoyable holiday, we remind all Members and guests that they are expected to assist in the smooth running of the club on a daily basis by observing and acting on the points below.

- Arrival times are as noted on the booking slip. If you arrive early, luggage can be left in the Games Room downstairs, but please give the Managers time to clean and prepare the lodge before you settle in for your holiday.
- Meal times are as posted by the Managers. (If you arrive late for breakfast, don't expect there to be a hot meal waiting for you!).
- The kitchen is out of bounds to Members and guests. Food and drink can be left in the guest fridge.
- Empty bottles are to be taken to the garbage bins downstairs.
- Members and guests are to set the tables for dinner each night, serve the meals, and clear the tables after dinner. Please don't expect someone to wait upon you.
- Don't leave dirty cups in the sink. If you make a hot chocolate, clean up after yourself.
- On the Managers night off, a meal and instructions will be provided. Members and guests are to cook the meal, ensure that all cutlery and crockery is washed and stacked away, and the kitchen cleaned. Don't leave a mess for the Managers the next morning.
- On changeover day, Members and guests are to strip their beds and take the linen downstairs.
- Before departing, Members and guests are to vacuum their rooms thoroughly (including moving the beds), and empty the rubbish bins.
- Members and guests are to act upon all requests for assistance from the Managers.

Finally, please remember we are a not-for-profit Co-Operative, not a commercial enterprise. Your participation in the Club on a daily basis will allow us to all continue to enjoy the friendly environment that is part of the Muniong experience.

Happy Skiing!

The Board.
